The University is the earliest established private University in Uttar Pradesh, the largest state in North India. It started as a humble school in 1993 and grew into a reputed engineering college in 1998. The University has been making higher education accessible to thousands of students and maintains a decent and decorous atmosphere on campus. The University's campus is highly disciplined and ragging-free, with all modern amenities for pursuing higher education and sports. **The campus has NABL-accredited laboratories, provides state-of-the-art hostel accommodation and houses an 880-bed NABH-accredited hospital as part of the Medical College, with state-of-the-art medical facilities and more than 250 doctors, including faculty of different specialties and residents.** The Integral Hospital has rendered valuable services during the pandemic and has successfully treated over a thousand patients. The services rendered by the Hospital have been highly appreciated at the hands of the state administration in particular and society in general.

The University focuses on research programs and students' career advancement. The students have full-time access to their performance (marks and attendance) through an online portal. Interactive efforts with more than 20 renowned universities and research organisations and campus selection of students by national and multinational organisations bear testimony to these efforts. On the international front, the University has MoUs and collaborations with World Food Preservation Centre LLC, Shepherdstown, WV, US, Széchenyi István University, Hungary, Yegungnam University, Gyeongsan, South Korea, Eastern Institute of Technology, New Zealand, Kazakh National University, Almaty, Kazakhstan, Arsi University, Asella, Ethiopia, University of Sarawak, Sarawak, Malaysia, and National University of Shipbuilding, Ukraine, to name a few.

Integral University is an ideal campus for international students due to the facilities and amenities provided to its students and staff. The campus consistently maintains decorum, decency, and discipline in all curricular, co-curricular, and extra-curricular activities. The girls' hostels are exceptionally safe, with the movement of female students restricted after sunset. Lucknow International Airport is directly connected to Dubai, Muscat, Jeddah, and Riyadh. Complimentary pickup is offered to international students from Lucknow International Airport. All facilities for cultural and physical activities, such as sports grounds for football, hockey, and cricket, as well as courts for basketball, volleyball, and lawn tennis, are available on campus. The University has separate gymnasiums for boys and girls. The Directorate of International Affairs welcomes, onboards, and supervises all international students. The office closely liaises with foreign missions in New Delhi to resolve any issues and with the FRRO (Foreign Regional Registration Office), Lucknow, for the timely issuance or extension of visas. Complimentary first-aid and primary treatment are provided for all international students. The close-knit Integral family collaborates with students worldwide and regularly celebrates common occasions and events.

The University is committed to imparting quality education and enriching experiences to all its students. It hosts students from 35 countries, including Oman, Germany, Nigeria, Tanzania, Sudan, Kenya, Libya, Ghana, Rwanda, Congo, Afghanistan, Bangladesh, and Nepal. The University collaborates with some top MNCs and academic institutions of higher learning for educational enhancements at national and international levels. We are confident that international students will find a welcoming atmosphere at the University with like-minded colleagues. **Integral University is an academic institution with a mission and vision to make the country progressive and prosperous for all walks of life.**
